FOR AN EVENING INTRODUCTION  
OF  
SHULAMIT ELSON'S *SOUND PRAYER* ®

*HOW TO USE SACRED SOUNDS TO AWAKEN YOUR HIGHER SOUL  
ENHANCE CREATIVITY AND FIND INNER PEACE*

In this two hour workshop, limited to health practitioners, professionals and healers, you will learn how the healing power of your own voice combined with your heart's intention creates Sound Prayers that can positively impact the central issues in your life, bring inner peace, deepening spiritual practice and clarifying your individual soul purpose.

There will be a presentation on sacred sound- -- what it is, how and why it works. In addition the group will join voices in a Symphony of Souls® to practice Sound Prayer and experience its empowering effects.

With the cooperation of one volunteer participant, Shulamit, aided by the group sounding, will demonstrate how sound is used to positively effect the issues of a single individual.

Shulamit will present teachings on the Kabbalistic view of the nature of the soul and its journey toward wholeness and meaning through a path of the heart. The role of the soul in achieving joy and fearlessness will be explored.

One sound will be taught-- the sound for wisdom, love and compassion. This sound transforms relationships, softens anger, relieves painful feelings of separation and loneliness, and promotes a sense of unity, and belonging, bringing forgiveness and reconciliation.

No musical ability is needed.

Sound Prayer, based on long lost wisdom found in ancient spiritual texts, is a crucial "language" for our times, helping our Soul to awaken its highest purpose. Sound Prayer vibrations bring greater love, joy, peace and abundance into our own lives through the power and creativity of our own voice.
